GIBALTAR
BUILDING ACCESSORIES DIVISION

at APPLETON SUPPLY COMPANY
Teamwork is our
ULTIMATE
Competitive Advantage

Welcome! If you're looking for the first choice in metal products and roofing accessories, you've come to the right place.

Since 1918, building professionals and distributors have relied on Appleton Supply for metal building products that stand the test of time – like our industry respected Appleton Building Products™ and Sell-Even® brand aluminum soffit systems.

The fact is, customers consistently give Appleton Supply superior rating for quality, availability and service. We deliver quality products our customers can count on, when they need them, at a fair price – benchmarks we value in our reputation.

Appleton Supply is a Gibraltar Industries Company. Gibraltar Industries is a leading manufacturer and provider of products and services for the renewable energy, conservation, residential, and infrastructure markets. Gibraltar serves a large number of customers in a variety of industries in all 50 states and throughout the world from facilities in the United, States, Canada, and Europe. Gibraltar's common stock is a component of the S&P Small Cap 600 and the Russell 2000® Index.

ENVIRONMENTAL RESPONSIBILITY

Appleton Supply Company is dedicated to reducing waste in addition to improving our business processes to be more environmentally friendly. We have collaborated with both our vendors and customers to help reduce our impact on the environment. The importance of environmental responsibility is promoted to all of our employees while on the job and in day to day life. Materials used in our manufacturing and other business processes are recycled and can be recycled continuously for years to come.

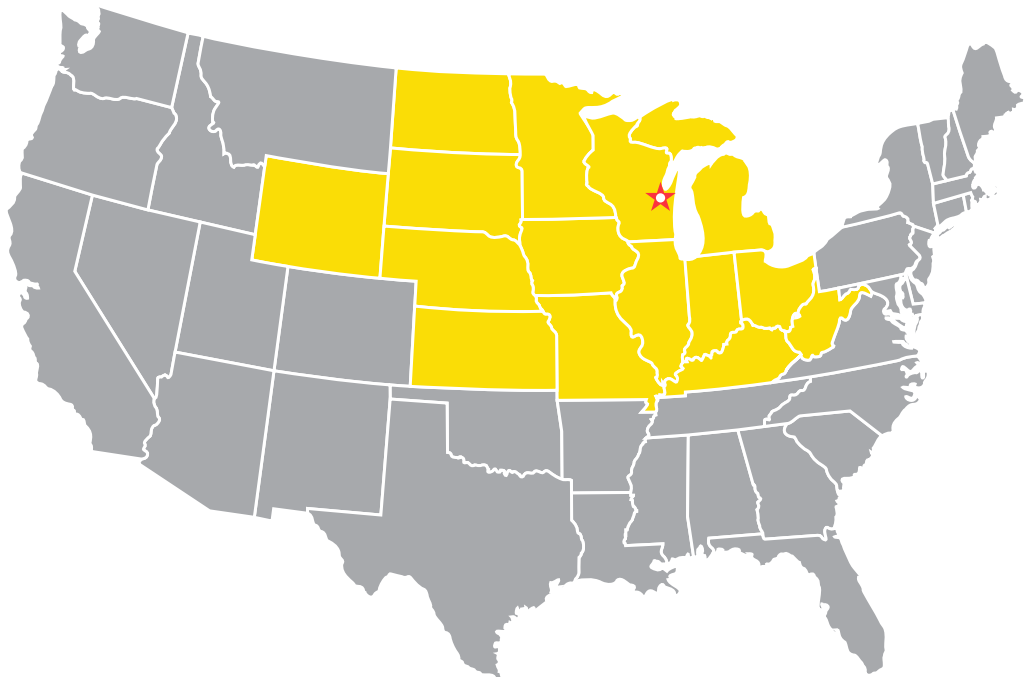

CUSTOMER FOCUSED - DELIVERED WHEN AND WHERE YOU NEED THEM

Through its wholesale and retail distribution, Appleton Supply Company supplies quality building products to homeowners, builders, contractors and architects with a quality product, guaranteed! Appleton Supply works with a dedicated fleet of trucks to deliver your order delivery your order in a timely manner!

Liberator Bathroom Fan Soffit Termination System - Part# LIBERATOR

The Liberator soffit termination system streamlines installation and helps optimize airflow by allowing complete ducting before soffit panel installation. This high performance soffit vent improves overall fan performance. The Liberator soffit termination system is ideal for new residential construction. The patent pending design eliminates water intrusion costs associated with roof and/or wall terminations

- Designed for ventilation fans up to 110 CFM using 4 inch ductwork
- High performance soffit vent improves overall fan performance
- Easy installation results in a professional appearance
- Unique design eliminates water intrusion commonly associated with roof and/or wall terminations
- Low resistance backdraft damper eliminates cold drafts and improves blower door test results
- Mounting bracket can be located anywhere with a vertical surface within the overhang
- Overall height is less than 6 in. and fits in most 4/12 pitch roof overhangs
- Flush mounted termination grill mounts with a single fastener (included)
- 1 per carton
